OBJECTIVES

What objectives does the initiative have and you are aiming to evaluate?

Objective No. 1	Objective No. 2	Objective No. 3
Objective No. 4	Objective No. 5	Objective No. 6

No. OF EVALUATIONS

How many evaluations do you want to carry out: a single one at the end or also several additional intermediate ones?

RESOURCES

What resources do you have available to do the evaluation?

Human resources	Technical resources	Economical resources
-----------------	---------------------	----------------------

ACTORS

What agents do you think will be necessary to involve in different moments of the evaluation?

 Who are they? Contact information

What value do they provide to the evaluation? What kind of implication do we need from them?

 Who are they? Contact information

What value do they provide to the evaluation? What kind of implication do we need from them?

 Who are they? Contact information

What value do they provide to the evaluation? What kind of implication do we need from them?
